

**FAITH  
OUT OF THE  
SHADOWS**

# FAITH OUT OF THE SHADOWS

## *Icebreaker*

What was a childhood fear that you no longer have?

## *Discussion Prompts*

1. Name some things that people usually fear more than God and discuss why people fear these things more than God.

# FAITH OUT OF THE SHADOWS

2. In verse 28, the author writes that “we are receiving a kingdom that cannot be shaken.” What implications do those words have for believers today?

3. What images come to mind or how do you feel when you read: “Our God is a consuming fire”? What does this statement mean?

4. How can believers worship God “with reverence and awe” instead of just going through the motions during worship?

5. How can we balance the need to be reverent before God with the close relationship that He invites us into?

- Read Revelation 19-22 and write down where you see God’s purifying fire in the text.
