BIBLE FUNDRAISER

In the four weeks leading up to Revival 2024, we united in prayer for persecuted churches in China, India, Iran, and North Korea, asking God to strengthen and bless those standing firm in their faith, even in the face of unimaginable trials. Through your faith, prayers, and generosity. We raised enough to provide more than 40,000 Bibles to spread the Word of God in these countries, planting seeds of hope and revival where it's desperately needed.
