

# AMBASSADOR For Christ

## 20 SERMON SERIES 22

At Shepherd, it is our sole purpose to Lift Up Christ that the world might believe. Every day we are bombarded with distractions. The world constantly tries to tell us what is important, yet it falls short every time. That is why in 2022, we are declaring only one thing: we have an eternal hope in Jesus Christ. Now, it is our job to declare and demonstrate the Gospel with everything in our being. Everywhere we go, in our families, in our jobs, in every breath we breathe, we represent the Kingdom of God as an Ambassador for Christ.
